COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, SEPTEMBER 26, 2001

APPLICATION OF

A&N ELECTRIC COOPERATIVE

CASE NO. PUE010008

For approval of a functional
separation plan pursuant to
the Virginia Electric Utility
Restructuring Act

ORDER GRANTING MOTION AND ALLOWING RESPONSE

On August 24, 2001, the Staff of the State Corporation Commission ("Commission") filed a motion requesting leave to file a reply to the "Response to the Staff Report Dated June 29, 2001" filed by A&N Electric Cooperative ("A&N" or the "Cooperative") on July 16, 2001, in the above-referenced matter. In its motion, Staff states that the Cooperative raised issues regarding Staff's recommendations concerning functionalization of diesel generators, and on certain administrative and general ("A&G") costs and associated overheads, uncollectible expense, customer deposits, interest on customer deposits, and costs associated with load management programs. The Staff motion stated that the issues raised by the Cooperative require clarification and further comment. The Staff filed with its motion a reply to the Cooperative's response to the Staff Report. A&N did not file a response to the Staff motion as

permitted under the Commission's Rules of Practice and Procedure.¹

NOW THE COMMISSION, upon consideration of the matter, finds that Staff's motion should be granted and that the Cooperative should have the opportunity to file a response to Staff's reply.

Accordingly, IT IS ORDERED THAT:

(1) Staff's Motion Requesting Leave to File Reply is hereby granted.

(2) A&N may file a response to this reply on or before October 12, 2001, with Joel H. Peck, Clerk, State Corporation Commission, c/o Document Control Center, P.O. Box 2118, Richmond, Virginia 23218.

(3) This matter is continued for further orders of the Commission.
